

UMPIRE’S PROCEDURES AND SIGNALS

The following document documents and illustrates the official ITF Procedures and Hand Signals to be used by all Officials when conducting competitions.

It is important to ensure that all officials administer and conduct the operation of their assigned duties in strict accordance with these procedures. This will help to ensure that competitors, coaches and spectators clearly understand how the events of the competition operate, and will further help develop the competitor’s and coach’s confidence in the proceedings of the competition.

Therefore it is critical that the procedures and signals are followed precisely, and without deviation, so as to avoid any confusion or misinterpretation. We ask that all officials, coaches and competitors become familiar with and follow these procedures and signals.
